

## Single post bracket / Y-bracket accessories

for clamping bolts

### SPECIFICATION

#### Types

- Type **E**: for one clamping bolt
- Type **Z**: for two clamping bolts

Steel C45  
blackened  
Cylinder head screws DIN 912  
Centering bushings  
Steel, blackened

### INFORMATION

GN 869.1 single post bracket / Y-bracket accessories have been designed for use with GN 865 (see page 1635) pneumatic fastening clamps.

Y-bracket accessories for two clamping bolts (Type Z) are preferably used in such applications where absolutely rigid clamping of a sheet metal component is essential. For the same purpose GN 605 (see page 928) ball point screws with serrated ball pads are ideally suited. Cap screws and centering guide bushing accessories are included.

### TECHNICAL INFORMATION

- ISO-Fundamental Tolerances (see page A21)

#### Mounting examples

### GN 869.1
